Congratulations to Nor-Am Cold Storage

Nor-Am Cold Storage, an Accellos One 3pL user, announced its decision to purchase the recently-closed Harker meat packaging plant and has also received the Le Mars, Iowa Chamber of Commerce's Business of the Year award according to the [Le Mars Daily Sentinel](#).

"We put in an offer right before the end of the year," Greg Brandt, Nor-Am president and CEO told the crowd after the planned purchase was announced. "We will continue to grow our meat-repackaging and we need more room. We have to cross a few t's and dot a few i's, but hopefully we'll be in before 30 days."

Nor-Am opened their first cold storage facility in Le Mars in 1999 and now employs more than 150 people across facilities in four states: Iowa, Minnesota, Nebraska and Texas.

Congratulations to everyone at Nor-Am for their success.
